

**Job Title:** Postdoctoral Research Fellow

**Closing Date:** Until position is filled.

**Job description:**

A postdoctoral research position is currently available in the Fernandez Laboratory at the School of Chemistry and Biochemistry, Georgia Institute of Technology in Atlanta, GA. Appointment is anticipated in the Spring 2015. The ideal candidate would have 1) a PhD in Analytical Chemistry with experience in one or both of the following: (1) imaging mass spectrometry, or (2) mass spectrometry-based metabolomics. Successful candidates will primarily focus on research, but will also be involved in training and mentoring graduate and undergraduate students. Women and minority candidates are encouraged to apply.
